Our Home Town.... New Bay Lanes Owner Brings Community Spirit Well, if you haven't heard by now, Bay Lanes is the place to be.

Now under new ownership, Bay Lanes has undergone an "Extreme Bowl Makeover," and now offers a clean, safe, fun-filled family atmosphere.

Since taking over the business, Mark Nazario and his wife, Tina, have spruced up the place, added flat screen TVs, re-opened the grill, and made this the ideal place to hold any type of celebration, get-together, or fundraiser. When you meet Mark, you will instantly feel Mark's energy and enthusiasm which makes him the ideal person to own a business like Bay Lanes.

"I grew up bowling as a kid and learned a lot about etiquette and rules while still having a great time and getting exercise, I want to pass this on to other kids," said Mark.

When the opportunity came to purchase Bay Lanes, Mark jumped at the chance.

"My wife and I always wanted to own our own business. Bay Village is a great family oriented, giving community. Every day, I look forward to meeting someone new from the surrounding area. A native of Lorain, Mark knows the Cleveland area very well and loves being back by the lake.

Bay Lanes also has room for new leagues, great weekday game specials, Sunday Family Fun Day 3-5 p.m. ,with Cosmic Bowling for just \$4.00, drink specials during Cav's games, and Cosmic Bowling Friday and Saturday Night at 10:00p.m. Mark is planning on starting Youth Summer Leagues, offering Summer passes and now offers Seniors with free shoe rental Monday-Thursday, so they can bowl for just \$4.00.

This is a great way to get out and get some exercise during these cold winter days. To find out more about what's happening @Bay Lanes, go to their website at www.baylanesbowl.com.
